Payment of all tuition and fees, in full, prior to class start or an approved funding package as determined by the Deviation/Budget Sheet and approved by the pertinent responsible party. **NO** student will be allowed to sit in class without payment-in-full or an approved Deviation/Budget Sheet. 3. Refund and Cancellation Policy:

When calculating refunds, the School must use the policy mandated by state of Massachusetts. For all Title IV Recipients: Return of Title IV fund policy will be used to determine how much Title IV Aid the school must return to the Department of Education for any unearned Title IV aid received for the payment period that you completed less than 60% of a payment period. Federal Regulations require the return of Title IV funds in the following order: Unsubsidized loans, Subsidized loans, Plus loans, Pell Grants, SEOG or other Title IV. Blaine will then calculate the State Mandated Policy set forth in Massachusetts general law Chapter 255, Section 13K, as published in the school Enrollment Agreement and Catalogue to determine if the student owes any additional funds to the school. If so, those funds are due immediately.
